ABOUT MASKOTT

Created in 2004 by avant-garde teachers, Maskott offers innovative digital solutions for Education, Training, Culture & Leisure. **Maskott relies on Authôt** for subtitling videos from its Maskott Sciences Cycle 4 digital resources collection!

Our contact:
Christophe LAINO
Publishing Assistant at Maskott

CHALLENGES

- **Digital Accessibility:** Maskott wants to improve the accessibility of the 619 videos present on Maskott Sciences.
- **International:** Maskott wants its videos to be broadcast internationally, particularly in North America and Brazil.
- **Quality:** Maskott works with the Ministry of National Education and must provide quality subtitles.

- **Captioning:** With Authôt transcription Maskott Sciences videos are available to students.
- **Translation:** The Authôt network of international translators is available to subtitle Maskott videos in foreign languages.
- **Proofreading:** Authôt offers a proofreading service and assures a perfect quality of subtitles.

"We were put in contact with Authôt through the Ministry of Education. It's a relationship of trust."
