

About ProConsultant Informatique

ProConsultant Informatique, or PCI, is a company that publishes information systems for Media groups. Based in eastern France, in Metz, PCI makes 75% of its sales turnover abroad.

PCI **trusts Authôt** by integrating its solution and offering subtitling to its clients.

Our contact:
Hervé OBED
 CEO at ProConsultant
 Informatique

CHALLENGES

Search for partners: PCI wants to constantly enrich its solutions and offers by integrating partner technologies.

Meet emerging needs: Listenening closely to its market, PCI felt the need to automate production and management of subtitles.

Expand prospect target: PCI also targets radio stations that need to subtitle their podcasts and live in a very short period of time.

WITH AUTHÔT

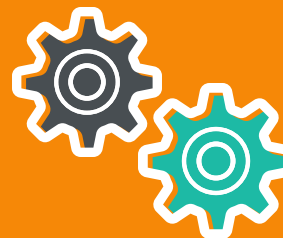

The **meeting** with Authôt followed a **recommendation**

"The Authôt team is young and dynamic. Our collaboration is rewarding on all fronts."
